PART 4 – EFFECT ON EXISTING LOCAL RULES

These E-Filing Rules are adopted as an Appendix to the Local Rules of the Court and do not supersede or replace any other Local Rules of the Court.

PART 5 – ELECTRONIC FILING ENCOURAGED UNLESS PROHIBITED BY ORDER OF THE COURT

- (a) E-Filing of documents is strongly encouraged by this Court. Except as provided by subsection (b) below, a document that can be traditionally filed with the Court may be E-Filed.
- (b) The Court or the Clerk may exclude documents and/or certain types of cases from E-Filing. The types of cases and documents that the Clerk & Master will accept for E-Filing are listed in the appendix attached to this Rule. Should the Court or the Clerk determine that a document will not be accepted for E-Filing, a notice of those documents which are excluded from E-Filing will be posted on the Court’s websites at:

<https://gibsoncounty-tn.com/county-courts/chancery;>
<https://gibsoncounty-tn.com/county-courts/humboldt;>
<https://haywoodtn.gov/government/court-systems/chancery-court>

All e-filers should periodically check the Court’s websites for updates to this notice.

PART 6 – SCOPE OF RULES

- (a) Except as expressly provided herein, for all new cases filed on or after the effective date of these E-Filing Rules, the Court shall accept as validly filed all documents that are filed through E-Filing. Existing cases can be converted to e-filed cases at the request of the litigants or their attorneys.

- (b) The Court and the Clerk may issue, file, and serve notices, orders, and other documents electronically, subject to the provisions of these E-Filing Rules.
- (c) E-Filers may obtain access to the E-Filing Website either through an internet access point or by using the Clerk's Public Access Terminal located in the Clerk's Office.

PART 7 – ELECTRONIC CASE FILE

The Clerk shall maintain all E-Filed documents that are reviewed and approved in electronic format as part of the official case file.

PART 8 - REGISTRATION REQUIREMENTS

- (a) Persons who qualify as Authorized Users and who desire to electronically file a Document shall register as an E-Filer on the ECF Website. The registration process requires the prospective user to accept the User Agreement, identify their role for the account, enter their personal information, their username and password, and submit the request. Attorneys licensed in Tennessee must include a valid Tennessee issued Bar Number. There is an approval process that will occur. Once the approval process is completed the user will receive an email notifying them that their account is approved. The user must then register their payment options and credit card with the ECF system and the Court. If the user does not receive an email the user can determine if their account is activated by logging into the ECF website;
- (b) E-Filers shall change their E-Filing profile immediately upon any change in firm name, delivery address, phone number, fax number or e-mail address;

PART 9 – TIME AND EFFECT OF E-FILING

Any E-Filed document shall be considered as filed with the Clerk once the transmission of the entire document is received and approved by the Clerk. Any document received by the Clerk before midnight local time of the Clerk's Office shall be deemed filed on that date if such document otherwise meets all the requirements for filing under the relevant rules of the Court. Upon approval by the Clerk of an E-Filed document, the ECF system shall electronically transmit a Transaction Receipt indicating that the E-Filing has been filed. The Transaction Receipt shall serve as proof of filing. In the event The Clerk rejects the submitted document following review, the rejected document shall not become part of the official Court record and the E-Filer will receive status on the submission of the rejection. E-Filers may be required to re-file the document to meet necessary filing requirements.

Documents that are rejected and filed again will receive a new effective date, upon approval, based upon when the corrected documents were E-Filed. An E-Filer may request that a corrected document be filed nunc pro tunc pursuant to Part 15 below, if necessary.

PART 10 – FORM OF DOCUMENTS ELECTRONICALLY FILED

- (a) Each E-Filed document shall be uploaded in a PDF format unless it is a Proposed Order for a judge to review. The document should be formatted in accordance with the applicable

Terms of Use Agreement as well as the Tennessee Rules of Civil Procedure and Local Rules governing formatting of paper documents and in such other and further format as the Court may require from time to time. Proposed Orders shall be E-Filed in Microsoft Word format;

- (b) The E-Filer is responsible for verifying that the documents to be E-Filed are legible. Documents that are not legible or scanned sideways will be rejected and will require the E-Filer to correct the documents and E-File them again. The corrected documents will be date and time stamped according to the date and time of E-Filing the corrected documents;
- (c) In addition to the information required by Rule 11 of the Tennessee Rules of Civil Procedure and any other Local Rule, The Party or attorney signing a document that is being E-Filed shall also follow the requirements in Part 13 herein.

PART 11 – NOTICE OF ELECTRONIC FILING (NEF)

When a person E-files to a case, whether they are a case participant or not, notifications of the E-Filing are distributed to Authorized Users that are recorded in TnCIS as case participants or legal representatives. To receive notifications participants must be Authorized Users and have an active account in the ECF System. For the notification to recognize the association of an Authorized User to a case they must be recorded on the case in TnCIS as a pro se litigant or as a legal representative of a party.

All Authorized Users agree to receive their notices of documents which are E-Filed in their cases electronically through the ECF system.

All Authorized Users must include a Certificate of Service on each pleading filed just as if it had been filed on paper.

Pro se litigants recorded in TnCIS on a case must be registered Authorized Users in ECF and have previously filed a Notice of Association that links the ECF user account to the TnCIS participant ID.

The NEF does not replace the need for service of process. The NEF satisfies the responsibility of a filer to send service to other parties that are registered in the ECF System and linked as participants on the case for secondary filings. This service does not replace the responsibility of E-Filers to notify parties by conventional means when they are not registered in the ECF system. The ECF system provides a method to identify what case participants are Authorized Users and recorded in TnCIS as participants in the case.

The NEF is distributed as an email and posted in the ECF web interface for access. It is incumbent on each filer to keep the NEF in his/her permanent files as proof of notice. It is the responsibility of each Authorized User to login to the ECF and review their NEFs within ninety days (90) from the time the NEF is posted to their user account. After ninety days, all NEFs are deleted from the Authorized User's account.

All electronic service of papers e-filed shall be done according to Tennessee Supreme Court Rule 46A which reads as follows:

(1) For purposes of this Rule, the following definitions shall apply:

- (a) “E-file” or “E-filing” means the electronic transmission of documents in cases pending in the court, using the dedicated E-Filing system maintained by the clerk of the court.**
- (b) “E-Filer” means a registered user who e-files a document.**
- (c) “E-Filing system” means a system adopted by any Circuit, Chancery, Criminal, Probate, Juvenile or General Sessions Court Clerk that allows for the e-filing of documents and is in compliance with the technological standards promulgated by this Court.**
- (d) “E-service” or “E-served” means the automatically generated electronic transmission, by and through an e-filing system, of a notice to all participants in a case who are registered users that a document has been e- filed.**
- (e) A “registered user” is a person who has properly registered with and has been authorized to use an e-filing system for the e-filing of documents in accordance with the requirements of a local rule of court. A registered user is deemed to have consented to receive e-service and is responsible for maintaining a valid and current e-mail address and keeping same up to date in the e-filing system.**
- (f) “Documents” that may be e-served under this Rule include only those items that must be served pursuant to Tenn. R. Civ. P. 5.01, Tenn. R. Crim. P. 49, Tenn. R. Juv. P. 106, and any similar General Sessions Court rule.**

(2) Any Circuit, Chancery, Criminal, Probate, Juvenile or General Sessions Court that has, by local rule of court, allowed documents to be filed, signed or verified by a registered user of an e-filing system shall allow such documents to be e-served. E-service shall constitute proper service of the e-filed document on a registered user and shall have the same legal effect as service of a paper document under the applicable rules of procedure. Independent conventional service of an e-filed document, either by paper or otherwise, need not be made by an e-filer on any registered user, unless otherwise ordered by the court.

(3) Any (A) lawyer representing a person, party or participant in the case, or (B) pro se person, party or participant in the case, who is either (i) not a registered user of the e-filing system or (ii) known by the e-filer not to have been e-served, must be served by the e-filer through the conventional means of service set forth in the applicable rules of procedure.

(4) Unless ordered otherwise by the court, a court clerk may, through the e-filing system, transmit to registered users all notices, orders, opinions, or

judgments filed by the court or court clerk, which transmission shall constitute proper service and shall satisfy the notice requirements of Tenn. R. Civ. P. 58 or any other applicable rules of procedure.

(5) The court has the discretion, for good cause shown, to order that service, other than e-service, be required in a particular case.

PART 12 – PAYMENT OF FEES

- (a) All E-Filed Documents subject to statutory filing fees (Court Costs) shall require payment of such filing fees immediately upon filing unless excused by the Court. These filing fees must be paid with a credit card at the time of E-Filing. Use of the E-Filing Website constitutes E-Filer's consent to process or charge the credit card supplied;
- (b) It is the responsibility of the Authorized User to contact the Clerk & Master's office to determine the fees owed for any particular filing. If the ECF system provides an estimate of fees owed for a given filing, the Clerk & Master is still responsible for calculation of the fees which may be different from the estimates. This can occur when the Clerk & Master corrects information entered by the filer;
- (c) The E-Filing Fee is in addition to the statutory filing fees and is \$5.00 per filing up to a maximum of \$50.00 per case or a flat \$300.00 flat subscription fee per lawyer or pro se litigant for a one-year period starting on the date the flat fee is paid. The flat fee pays all of the E-filing fees for all cases filed by that lawyer or pro se litigant in any Court in the State of Tennessee using the Tybera E-Filing System. The E-Filing Fee shall not be assessed against the State, a party declared indigent, or to that indigent's party's legal representative. Tybera will keep an account of the amount of fees paid in each case;
- (d) The convenience fees and service charges described in Tenn. Code Ann. § 9-1-108(c)(3), (4), and (5) will be charged to E-Filers in addition to the statutory filing fee and the E-Filing Fee. The convenience fee covers the cost of processing the E-Filer's credit card and the service charge covers the cost of any transactions being dishonored by the entity upon which any funds are attempted to be drawn. The amount of any such convenience fees and/or service charges will appear with each credit card transaction;
- (e) Authorized users will be able to access their cases as well as any other cases in the system that are not under seal and make copies of documents in those files. Certified and paper copies will be available from the Clerk's office for the statutory fees;
- (f) Refunds due to improper collection will require the E-Filer to contact the Clerk's Office directly. The Clerk will issue checks for refunds. Refunds will not be made in cash;
- (g) Refunds on a case will be paid to the owner of the credit card used to make the payment.

PART 13 – SIGNATURES

- (a) A document that is required to be verified by a notary public, sworn to, or made under oath, or one that requires multiple signatures (such as a stipulation) may be E-Filed only as a scanned image of the original. The original document shall be maintained by the Party or

the attorney E-Filing the document and shall be made available, upon reasonable notice, for inspection by other counsel, the Clerk & Master, or the Court. Parties or their attorneys shall retain originals until final disposition of the case and the expiration of all appeal deadlines;

- (b) Any document filed with an electronic signature must be filed using the user account of the individual electronically signing the document. Any document signed and filed using the account that matches the signature is considered binding on that individual even if that user shares their username and password;
- (c) For all other documents that generally include an attorney's or pro se E-Filer's signature the following pattern is to be used:

/S/John Doe (Authorized User's name) and TN Bar No. (if a Tennessee attorney)
123 Main Street (Authorized User's street address)
City, State, Zip Code
E-mail address

- (d) The Court may electronically transmit orders, opinions, judgments, and other court-issued documents through the Court's E-Filing system. When a document electronically transmitted by the Court for filing by the Clerk & Master requires the signature of the Judge, Clerk & Master, or authorized deputy clerk, the signature may be reflected on the document by means of an electronic signature in the format: "s/[Judge's/Clerk & Master's/Deputy Clerk's name]," followed by the appropriate title (i.e., "Judge," "Clerk & Master," "Deputy Clerk").

PART 14 – REDACTION

Authorized Users must be sensitive to confidential and personal information being filed publicly and not under seal. E-Filers shall refrain from including, or shall redact as follows where inclusion is necessary, the following personal identifiers from all documents filed publicly with the Clerk & Master, including exhibits thereto, unless required by statute or otherwise ordered by the Court:

- (a) Social Security Numbers. If a social security number must be included in a document, only the last four digits of that number must be used;
- (b) Dates of Birth. If an individual's date of birth must be included in a document, only the year must be used;
- (c) Financial Account Numbers. If financial account numbers are relevant, only the last four digits of these numbers must be used;
- (d) Names of Minors. If a case includes a minor this information needs to be protected from the public, the Authorized User should use a pseudo name in the documents and then file a sealed document with the actual names.

It is the responsibility of the Authorized User to redact all documents that are E-Filed with the Court. When a document required to be E-Filed includes sensitive data that otherwise would be

redacted, the Authorized User must file an original and a redacted version. The redacted version will be stored for public access.

In addition, E-Filers should exercise caution when filing documents that contain the following:

- (1) Any personal identifying number, such as a driver's license number;
- (2) Medical Records, treatment and diagnosis;
- (3) Employment History;
- (4) Individual Financial Information;
- (5) Proprietary or Trade Secret Information.

It is the responsibility of E-Filers to be sure that all documents comply with the rules of this Court requiring redaction of personal identifiers. The Clerk will not review each document for redaction. Un-redacted copies of e-filed documents will be kept in the case file but will not be obtainable or reviewable through the e-file system.

PART 15 - SYSTEM OR USER FILING ERRORS

If the E-Filing does not reach a status of RECEIVED because of: (1) an error in the transmission of the document to the Clerk which was unknown to the sending party, (2) a failure to process the electronic document when received by the Clerk, (3) rejection by the Court or Clerk, or (4) other technical problems experienced by the E-Filer or the Clerk, the Court may, upon motion and satisfactory proof, enter an order permitting the document to be filed nunc pro tunc to the date the document was first attempted to be filed electronically and may also extend the date for any response or the period within which any right, duty, or other act must be performed.

PART 16 – E-FILING SYSTEM OUTAGE

In the event the E-Filing system is offline for technical reasons for a significant portion of a particular day, the Clerk & Master, in his or her discretion, is authorized to issue a written declaration that the E-Filing system is unavailable for filing on that day, in which event all filings due on that day from Registered Users shall be deemed to be timely if filed the following day. If the Clerk & Master issues such a declaration, no party is required to file a motion seeking permission to file a document nunc pro tunc pursuant to Part 15 of this Rule.

PART 17 – EFFECTIVE DATE

These rules shall become effective on the _____ day of _____ 2024.
